Study the Bible in multiple languages, including parallel versions in Greek, Hebrew, English, Latin, and more. Explore online interlinear translations with attached Strong's numbers for a deeper understanding of biblical words. Utilize cross-references from the Treasury of Scripture Knowledge to uncover connections between scriptures. Read the original languages of Greek and Hebrew alongside ancient translations like the Septuagint and Vulgate. Compare various English Bibles, including the KJV, Wycliffe, Tyndale, Coverdale, Geneva, Douay-Rheims, and American Standard. Consult lexicons and dictionaries, such as Strong's, Thayer's, Brown-Driver-Briggs', Vine's, Berry's, and Trench's, to uncover the meanings of Greek and Hebrew words. This Bible also includes a unique feature: every Hebrew and Greek word is accompanied by its corresponding English translation, allowing you to easily read through the Bible in its original languages. This comprehensive study tool eliminates the need for prior knowledge of Greek or Hebrew, as it provides a direct English translation alongside each word. The Literal Translation of the Bible is also included, making it easy to read through the entire text without losing your place. With this Bible, you can enjoy having these key features at your fingertips: * Side-by-side translations: Read the entire Bible in Greek, Hebrew, and English simultaneously. * Easy-to-understand: No prior knowledge of Greek or Hebrew is required, as each word is keyed to the Exhaustive Strong's Concordance. * Time-saving: This Bible does the first step of a word-study for you, saving you time and making it easier to read through the Bible. The Berean Interlinear Bible is a comprehensive study tool that offers an accurate and easy-to-use translation of the original Greek and Hebrew texts. This edition combines four separate volumes into one convenient resource, making it perfect for in-depth Bible study. The font size may be slightly smaller than average, but the formatting and margins ensure comfortable readability. The interlinear gloss is a word-for-word rendering based on reliable sources, providing complete parsing tags, Strong's numbers, and lexical definitions. Each word includes: 1. Greek text 2. Transliteration 3. Morphology (part of speech, person, tense, mood, voice, case, number, gender, comparison) 4. English gloss 5. Strong's Number 6. Lexical definition 7. Punctuation The Greek source is documented, drawing from major sources like Nestle, SBL, and Textus Receptus. The translation prioritizes earlier manuscripts and more recent critical texts, documenting significant variants. This Bible also includes additional study resources, such as Christ in the Old Testament. With its ease of use and wealth of information, the Berean Interlinear Bible is an excellent tool for deepening one's understanding of the Scriptures. Major Greek New Testament Manuscripts (2010). The manuscripts include the Nestle 1904 edition, Westcott and Hort, Byzantine Majority Text, Scrivener's Textus Receptus, Greek Orthodox Church, Tischendorf's 8th edition, and Stephanus Textus Receptus. The Berean Interlinear Bible is currently under construction, with a planned digital release and no immediate print version plans.
